of Venetian state. com. bring him away

Soft you a word or two before you go
I have don the state some service, and they
know't. Moo
Nay more of that I pray you in your letters
when you shall these vnlucky things relate
speake of moo as I am nothing extenuate
nor set downe ought in malice then you must
speake of one that lov'd not wisely but too well
of one not easily Jealous but being wrought
perplext in the extreame: of one whose hand
like the base Indian threw a pearle away
richer than all his tribe: of one whose subdued eies
Albeit vnused to the melting moode
drops teares as fast as the arabian trees
their medicinable gumme set you downe this
And say besides that in Aleppo once
where a malignant and a turbant turke
beat a Venetian and traduced the state,
I took by th' throate the Circumcised
dog. and smote him thus. Moo stabs him selfe
